

Welcome to our pack!

This PDF will give you an overview of how we operate and **what we ask of you** to keep things running smoothly and safely for all. **Please read it thoroughly**. Much of the information is also located on our website CampJimmydog.com

From time to time we will have updates and changes. Please refer to our website for the most current information.

Since 2006 our mission has been to provide a fun, safe, comfortable home where you can leave your pup in our care and have peace of mind while you're away. We work hard to ensure that everyone's individual needs are met with activity, relaxation, lots of belly rubs and love. We have the best job ever, creating a home away from home for your pup!

If you haven't already, please complete the form found at the link below. We will need to receive the completed form as well as a copy of your pups current vaccination records **PRIOR to your scheduled meet & greet**.

Vaccination records can be emailed or you can text a photo of them to us at 520-360-5026.

Please follow this link to an online form and enter yours and your pup's details.

Drop Off & Pick Up Protocol

For safety, and with your dog in mind as well as our other guests,

it is important that you arrive at the time scheduled.

We prepare for your arrival by separating dogs into groups, possibly crating some dogs and putting everything on “pause”. We also have others scheduled around you.

When you arrive – Where to PARK – GPS will mislead you

Sahuarita: 16610 S. Kolb Rd Sahuarita

Please pull up in front of the house and fenced area. NOT in front of garage or in dirt.

It is a circular driveway.

Vail: 1181 N. Darlene Dr. Vail (driveway entrance is on Calle Bacardi) Please note that the address for Vail is deceiving. GPS will put you in the wrong spot. Directions are included in the emailed reminders.

Please pull up to the fence where the “Parking” sign is located. Turn left as you enter and you can’t miss it.

When you arrive, please wait for someone to come out to meet you if we aren’t already there. Feel free to text or call us if you don’t see us when you arrive.

What to bring (and NOT bring)

- FOOD - There is no need to bring individual portions. We are happy to measure out the correct amount at feedings. We prefer to reduce the use of plastic and waste involved with ziplocs etc.

Are you feeding a healthy, nutritious, good quality food? [Click here to find out](#)

- Medications or supplements needed
- NO bowls – we have plenty, including slow feeder and elevated
- NO treats
- NO toys
- NO beds

Because we accept a very limited number of guests, we often fill up and turn guests away. This makes the space we reserve for your dog even more valuable. Certainly we understand that things happen and plans change. We do our best to be flexible and accommodating but occasionally the policy below will apply.

At CJD’s discretion:

1. There are no refunds or adjustments for shortened stays without at least 72 hour notice prior to the beginning date of the reservation or changes made during a stay. (Unless prior arrangements were made due to special circumstance)
2. Holidays/Peak times - there will be no refunds for adjustments made within 14 days prior to the bookings start date.
